COMPLAINTS/VIOLATIONS

GRANTS

OLD BUSINESS

1. Fromberg -
2. USFS/SCD settlement proposal – Jacque gave a rundown of the draft counter proposal from the litigation committee
The letter is asking SCD to withdraw as the Sponsor and require USFS to find a legal sponsor.

Motion: Greg

Second: Clinton

Vote: Approved

Discussion: *Jeff Dunham – ERLA has concerns that we are trying to kill the project, and doesn't see a viable option on how to move forward since they view the channel is undersized.*

Bob Van Oosten – SCD Chairman they still want to move forward with the project

Darryl Thompson – SCD Associate – would like SCD to be able to move forward and fulfill the obligations of the GNA - any concerns CCD has can be sorted out after the project is completed

Teresa Erickson – ERLA – wants SCD to move forward – thinks CCD/ERLA would inherit a worse mess if we don't allow the project to move forward. Agrees that any questions could be answered after project completion

Carrie Chestnut ERLA – doesn't understand our concerns, concerned about millions of dollars in jobs that could be impacted

Unknown ERLA – Referenced a biblical parable about the two woman and the child
